

Registering for next year's courses

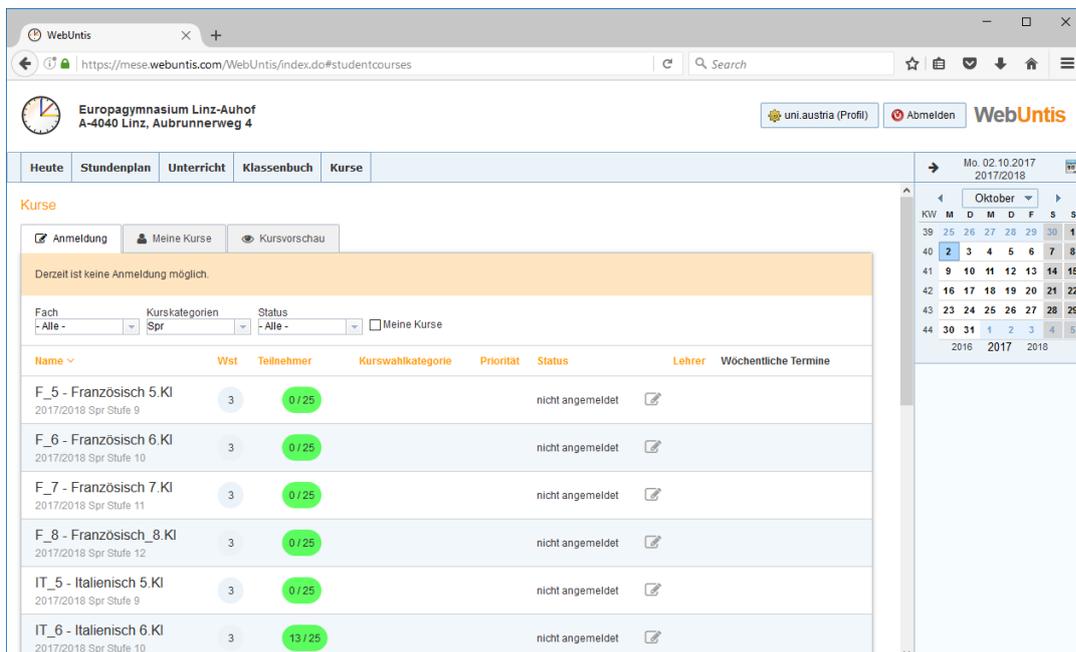

1. Visit Webuntis from the school home page and log in with your school user name and password.

2. Click the „Kurse“ menu.

3. On the top right, in the calendar, change to any date in the next (!!!) school year. For example, October 2, 2017 is in the next school year. This is very important.

- Look at the menu on the right side. You can see Anmeldung and Meine Kurse. Click Anmeldung. Maybe it is already clicked.

Kurse

The screenshot shows the 'Kurse' page with three buttons at the top: 'Anmeldung' (circled in blue), 'Meine Kurse', and 'Kursvorschau'. Below the buttons is a message: 'Derzeit ist keine Anmeldung möglich.' There are three dropdown menus for 'Fach' (set to '- Alle -'), 'Kurskategorien' (set to 'Spr'), and 'Status' (set to '- Alle -'). A checkbox for 'Meine Kurse' is also present. Below these are column headers: 'Name', 'Wst', 'Teilnehmer', and 'Kurswahlkategorie'.

- Go to the Kurskategorien dropdown box. You do NOT need SWPF, WPGa, WPGb (these are for ELLA and Kepler).

Kurse

The screenshot shows the 'Kurse' page with the 'Kurskategorien' dropdown menu open. The menu items are: '- Alle -', 'Spr', 'Altern.F.', 'Core-F.', 'IB_Block 1', 'IB Block 2', 'IB Block 3', 'IB_Block 4', 'IB_Block 5', and 'IB_Block 6'. Blue callout boxes point to 'Foreign languages' (covering 'Spr'), 'Arts' (covering 'Altern.F.'), 'Core' (covering 'Core-F.'), and 'IB courses' (covering 'IB_Block 1' through 'IB_Block 6'). The table below shows course details with columns for 'Name', 'Wst', 'Teilnehmer', 'Kurswahlkategorie', 'Priorität', 'Status', and 'Le'. The 'Teilnehmer' column shows counts like '3' and '0/25'. The 'Status' column shows 'nicht angemeldet'.

7. Do the same for the other courses.

- a. Altern.F are the alternative arts. All Matura students have to choose one. Academy students are only required if they have an IB arts course.
- b. Core F: These are the core courses. Matura students have to choose all. Academy students only those that they need.
- c. IB Blocks: These are the IB courses. Choose your courses
- d. All students who have German as a foreign language must choose DLFS in IB Block 2, even if they do not have German B SL or HL.
- e. German A HL does not show up in IB Block 1 because we know that you go there if you have chosen another mother tongue language.
- f. Mathematics SL does not show up, because it is the regular math course. Math HL is in IB block 5.
